

BOOTH DIMENSIONS:

10' x 10' WITH 8' HIGH BACK CURTAINS

PLEASE NOTE:

- All booth setup must not block the visibility of the exhibitors on either side.
- All displays that are higher than 4' on the side must not be wider than 5' in width (starting from the back of the booth) and not be higher than 8' – **See acceptable supplementary product display zone.**
- If visibility is hindered, you will be asked to remove the items.
- Any content, company name, logo, etc. displayed on the back side of your booth above the curtain (facing the booths behind you) is strictly prohibited.
